

## FERMA CERTIFICATION

1. Risk Managers must complete 32 credits of instruction in the following areas:

- A. Emergency Response & Crisis Management - 4 Credits
- B. Employee Benefits - 4 Credits
- C. Health & Wellness - 6 Credits
- D. Principals & Financial Controls - 4 Credits
- E. Property & Casualty - 5 Credits
- F. Safety & Occupational Health - 4 Credits
- G. Workers Compensation - 5 Credits

- 2. At least half of the instruction credits must be earned from the Florida Educational Risk Management Association.
- 3. Records of instruction and certificates shall be the responsibility of the Certification Chairperson.
- 4. At least 16 credits of instruction must be attained for re-certification at least every two years.
- 5. No credits will be allowed for any instruction received prior to July 1, 1994.
- 6. Risk Managers are not required to be certified to do their jobs, however this certification is provided on a voluntary basis to enhance professional Risk Management skills.
- 7. The membership will set the form and guidelines for evaluation of credits earned outside the FERMA organization. This will be evaluated annually at the Summer Conference.
- 8. The Member must be in good standing to receive credits and to be certified as a Risk Manager.
